The July 1, 2018 bills are based on the October 1, 2017 Grand List.

If the total tax is under \$100.00, the tax is due in July in one payment.

If the total tax due is over \$100.00, the amount is divided into two equal payments due July 1st and January 1st.

Bills are sent only once a year, in July. No additional bills are sent in January for the second instalment.

Bills come in three parts. Keep the top part for your records; return the second part with the July payment and the third part with the January payment.

Interest will be charged as follows:

- July: Payment is due July 1, 2018. Interest will be charged if payment is not postmarked August 1, 2018.
- January: Payment is due January 1, 2019. Interest will be charged if payment is not postmarked by February 1, 2019.

Interest is calculated at 1 1/2% per month on the unpaid balance. To calculate August interest, use 3%; September interest, use 4 1/2%; October interest, use 6%, etc.
